B His parents helped him.
C He had problems passing exams.

<i>Правильный вариант – А.</i>

Speaker: I wasn't bad at school, I mean I **was a typical student**, passed enough exams and so on, and they could understand I might want to go to art college, but fashion just wasn't a serious subject for them.

13 What did he **do when he left school**?

- A He got a part-time job.
- B He did a business course.
- C He went to art college.

Правильный вариант – В.

Speaker: Anyway, they said **I had to do a year's business course first**. I didn't like it at the time, but later, it made a big difference to me.

- C when he won a prize

Правильный вариант – С.

Speaker: Then I did two years at the local art college. I wanted to go to London straight away, but my parents insisted. So **I stayed at home until I won a prize** for a design which actually gave me a place at a London college for nine months.

15 **How long did he stay in Milan?**

- A three months
- B nine months
- C three years

Правильный вариант – С.
